PHYSICOCHEMICAL PROPERTIES OF AEROSOL AND ITS IMPACT ON THE ENVIRONMENT

Palestrante: Prof. Ian Colbeck (Universidade de Essex)
24 DE OUTUBRO | 14H | INSTITUTO DE FÍSICA, ANFITEATRO 9

IMPACT OF NANOPARTICLES ON THE ENVIRONMENT

Palestrante: Prof. Ian Colbeck (Universidade de Essex)
25 DE OUTUBRO | 9H | INSTITUTO DE FÍSICA, ANFITEATRO 9

Prof. Ian Colbeck is a professor in the School of Life Science of the University of Essex with studies on physicochemical properties of aerosols, nanoparticles in the environment, bioaerosols, etc. He is fellow of the Royal Meteorological Society and Institute of Physics.
